ORGANIZER'S MESSAGE

Online trading has become one of the most potentially rewarding types of investments available. With the right education and information, a minimal investment can turn into a huge return! Following the success of our previous events, we are delighted to once again bring you the 5th Middle East FOREX Expo & Conference 2009 to be held on November 17-18, 2009 at Jumeirah Emirates Towers Hotel, Dubai. Now bigger than ever, this 2 day premier event not only brings together world-renowned speakers and delegates from across the industry, but will also tackle more in-depth information and insight about the latest trading techniques, tools, signals, news and charting in FOREX trading, Gold, Oil, CFD's, Commodities, Futures ETF's, Derivatives and so much more.

Hear from the top online trading and currency experts, meet & exchange ideas, discover the latest market trends such as trading gold, oil or other commodities to help you make informed decisions on your future investments.

The 5th Middle East FOREX Expo & Conference follows through with our mission to promote an enhanced level of awareness on online trading, cultivate learning among foreign exchange enthusiasts across all levels and ultimately encourage business in the marketplace.

Get ready for another top-notch trading, learning experience!

Sincerely yours,
Katia Tayar
Founder and President

The Dubai Gold & Commodities Exchange (DGCX) commenced trading in November 2005 as the Middle East's first commodity derivatives exchange and has become today, the leading derivatives exchange in the region, providing the right products, at the right price and the right time. Dubai enjoys an ideal location between the time zones of Europe and the Far East. As an international derivatives exchange, DGCX offers a range of products from the precious metal, base metal, energy and currency sectors. The goal of DGCX is to ensure that it is the 'market of choice' in the region, by listening to the needs of both existing and new market participants to provide the contracts that they wish to trade. <http://www.dgcx.ae>

Platinum Sponsor

Arab Financial Brokers (AFB), a closed shareholding corporation registered under the Kuwait commercial law, was created to address the increasing number of currency and futures trading demands in the Middle East and in the Gulf Region in particular and to cater for clients investing heavily in the futures and spot forex markets. Arab Financial Brokers management team also formed AFB to bring integrity in products and improved customer service to forex clients, an emerging market for individual speculation. AFB's founding principals were aimed at initiating the best technological infrastructure and to utilize the most advanced forex trading software while delivering the best possible client services. <http://www.afb.com.kw>

Silver Sponsors
