

## *The 6<sup>th</sup> Middle East Forex Trading Expo & Conference 2010*

20 - 21 of May 2010

Habtoor Grand Hotel - Beirut, Lebanon

### **Industry experts to convene at the 6<sup>th</sup> Middle East Forex Trading Expo & Conference**

*Two day conference and exhibition aims to foster education among professional, beginner and institutional traders across the MENA region*

February 8, 2010 - Dubai, UAE: The 6<sup>th</sup> Middle East Forex Trading Expo & Conference 2010 to be held on May 20-21, 2010 at Habtoor Grand Hotel, Beirut, Lebanon will once again bring together forex leaders and other online trading experts to discuss and explore concepts, risks, opportunities, the latest market-moving developments as well as different strategies of trading online. Under the theme "Trade with Confidence", this two day event aims to stimulate business, foster education among professionals and beginners and raise the level of awareness of active, information-seeking institutional investors.

"In today's volatile environment, it takes a proper mindset to be able to thrive and succeed in online trading. The objective of this event is to play an active role in helping active traders both individual or institutional, make the right investment decision through proper education." said Katia Tayar, Founder and President of Arabcom Group, organizer of the expo and conference.

The 6<sup>th</sup> Middle East Forex Trading Expo & Conference 2010 to be participated by more than 30 of the most trusted brokers from around the globe will cover a dynamic breadth of information in Forex trading, Gold, Oil, CFD's, Commodities, Futures, ETF's, Derivatives through cutting edge presentations, panel discussions and breakout networking sessions. Plus, an awards ceremony recognizing the year's best industry achievers. The conference will also host keynote speakers from leading online trading firms.

"Our long-term goal is to provide professional, beginner and institutional traders the knowledge and skills necessary to make informed decisions on their future investments." said Jean Louis Farwagi, Vice President of Arabcom Group.

"Participants of the sixth Middle East Expo and Conference will have the chance to exchange ideas and learn from industry professionals and experts on how to trade successfully online through proven strategies and effective trading techniques", he added.

The 6<sup>th</sup> Middle East Forex Trading Expo & Conference follows through with the mission of Arabcom Group to promote an enhanced level of awareness on online trading, cultivate learning among online trading enthusiasts across all levels and ultimately encourage business in the marketplace. Entrance is free to the public. For more information, visit [www.meforexexpo.com](http://www.meforexexpo.com)
