## **Meet Windsor Brokers at The 6<sup>th</sup> Middle East Forex Expo & Conference, 20-21 of May in Beirut, Lebanon**

Windsor Brokers Ltd, a European regulated Financial Broker, was one of the first companies to confirm participation in the 6<sup>th</sup> ME Forex Expo & Conference 2010 at the Habtoor Grand Hotel Beirut Lebanon that will be taking place on the 20<sup>th</sup> and the 21<sup>st</sup> May 2010.

It has always been a significant objective for the Windsor Management to meet with investors, exchange experiences and personalize their real and prospective customer relations.

Windsor Brokers offers investors multiple investment options that include trading in Forex, Precious Metals, Energies, Stock Indices and CFDs all under one account and various account types.

With the company's history dating back to 1988, Windsor has proved to be a substantial provider of investment services with the highest technical standards and a superior customer support.

Windsor's online trading platform, the Windsor Direct 4, is based on the famous MT4 platform – a powerful trading tool acknowledged for being one of the strongest means of technical analysis used by the experts. The Windsor Direct 4 is a very user-friendly platform that offers beginners the main tools considered necessary to develop their trading skills as well as a wide range of technical indicators, automated trading options and miscellaneous other features for professionals.

In the same way that our products and services meet the technical requirements of new and professional investors, our proficient and multilingual personnel has been trained to assist, meet and exceed investors' expectations.

Windsor Management and Staff will be glad to meet with investors during the 6<sup>th</sup> ME Forex Expo to discuss investment options in detail, along with any inquiries that investors may have on our company and services.

We look forward to meeting you at our stand No A4 at the exhibition venue
